

- PR1MA™ PCR Strip Tubes and Caps are evaporation-resistant and provide easy-to-open-and-close lids that prevent sample loss
- The uniform wells and ultra-thin walls provide optimal heat transfer and reaction efficiency
- Reclosable bags minimize contamination risk and are convenient for opening and closing

- For use in medical, pharmaceutical, food industry, and molecular biology
- Certified free of detectable RNase, DNase, NA, PCR inhibitors, and tested pyrogen-free
